14-Day Supply

Listed below are the primary function(s) of each component that makes up MNS³:

ActoTherm SR: This sustained-release product is a blend of botanicals including cinnamon, gotu kola, ginger and peppermint to support energy production and appetite management.*

BioTherm: The synergistic combination of oolong tea, botanicals, B vitamins and biotin helps support your body's ability to utilize fats for energy production.*

CorePlex®: CorePlex is a synergistic blend of 36 vitamins, minerals, antioxidants (vitamins A, C and E) and nutrients that can help the body promote and sustain health and well being.*

OmegaPlex®: OmegaPlex contains 500mg long-chain omega-3 fatty acids (300mg EPA and 200mg DHA) per softgel that can help support cardiovascular health, joint health and the maintenance of skin when consumed in combination with a healthy diet and exercise.*

Calcium Plus: Calcium Plus is a great source of calcium, an essential part of maintaining the strength and health of your bones and teeth.*

CardioQ: This product combines the ingredients CoQ10, Vitamin D and Lycopene to provide nutrition for healthy aging and cardiovascular support.*
