BILTMORE JEWEL

BE PART OF THE STORY

AdvoCare leaders built 70 wheelchairs for charity!

AdvoCare shattered the previous nationwide record of the most wheelchairs built in a single day. That record was 45 wheelchairs. AdvoCare built 70 wheelchairs.

The charities that received the donation from AdvoCare include United Cerebral Palsy, Cardon Banner Children's Hospital & Ronald McDonald House, Wheelchair Warriors, March of Dimes, Gompers Habilitation Center, Possibility Mosaic, and Arizona Bridge to Independent Living.

The cost per person of the build is \$170 — that means with 300 people, AdvoCare donated \$51,000!

"We started AdvoCare in January 2010, looking for great products and a way to make some extra money. Today, we are building a life by design and finding debt freedom. We have gone from a family that was broken to a family that has hope for an unbelievable future. AdvoCare has changed everything for our family.

"We attribute our success to the willingness to embrace the AdvoCare Success System and an eagerness to help others. There is nothing greater than changing the lives of other people in a positive way. AdvoCare will always be a part of our lives! We love being a part of something bigger than ourselves."
